In today's security-conscious world, Lorex is your dedicated partner, whether you're an experienced security camera professional or the owner of a small to medium-sized business. We understand the unique challenges faced by businesses in safeguarding their assets, employees, and valued customers, and we recognize the need for peace of mind when selecting a security system. With a legacy of innovation spanning three decades, Lorex is a trusted leader in the surveillance industry, serving the demands of security camera professionals seeking cutting-edge technology and providing reliable solutions for SMBs looking to secure their operations.

Why Choose Lorex?

- 

Trust in Experience
A leading security brand for over 30 years.
- 

Free Shipping
Ship to yourself or directly to your job site.
- 

3 Year Warranty
Three year warranty included on all products.
- 

60 Day Returns
Return for any reason within 60 days of delivery.
- 

Tax Exemptions
Increase profits by saving the tax.

Select which program best identifies for your business

**Lorex Partner Program:
For Installers and Camera Professionals**

The Lorex Partner Program offers a range of membership tiers with diverse benefits, including access to business resources, discounts, technical support, and exclusive products, designed to cater to the needs of security camera professionals and SMB owners.

Scan QR to Join

**NPO Program:
For Charities and Education**

The Lorex Non-Profit Program offers special discounts on security products to non-profit organizations while donating a portion of the sales to support positive community change, with a current focus on children's education.

Inquire with sales@lorex.com for more information.

A technology that uses computer algorithms and artificial intelligence (AI) to automatically analyze and interpret video footage from surveillance cameras or other video sources. Video Analytics can detect objects, have facial recognition capabilities, trigger events or alarms based on predefined rules or conditions, and turn on Privacy Masking.

Video analytics enhances the capabilities of surveillance systems by automating the process of monitoring and analyzing video feeds. It reduces the need for human monitoring, enables quick response to security incidents, and provides valuable insights for businesses and organizations

- 
Person Detection
 Eliminate false alerts and only receive a message on your app when a person enters your property.
- 
Vehicle Detection
 Get alerts when a vehicle enters your property.
- 
Animal Detection
 Only get alerts when pets or wild animals enter the specified area.
- 
Package Detection
 Receive alerts as soon as a package is left or removed from your doorstep.
- 
Face Detection
 Perfect for front entrances, Face Detection will notify you of motion events when a face has been detected.
- 
Face Recognition
 Face Recognition will notify you of motion events when a familiar face has been detected.
- 
Mask Detection
 Keep track of who is wearing a mask when they enter a specified area.
- 
People Counting
 Advanced people counting provides valuable information about the number of people inside your premises.
- 
Auto Framing
 Auto Tracking uses advanced software to automatically lock, track, and digitally zoom in on a moving person or vehicle on your property.
- 
Virtual Fence
 Create a fence line or a specific area and be notified if the line is crossed or the area is breached.
- 
Heat Mapping
 Heat Maps illustrate customer movement to understand where the heaviest and lightest traffic areas are.
- 
Smart Search
 Filter and search through recorded video to pull up person detection events, vehicle detection events, or both.
- 
Color Search
 Users can search for footage based on different colors within recorded video footage.
- 
Number Search
 Easily filter, search, and browse for numbers that have been captured by the Lorex camera.

We've got a security solution perfect for every type of residence or business. Choose your own recorder and cameras to make a custom security solution that fits your specific needs.

A Series Cameras

Consumer level cameras making, easy to install and use.

H Series Cameras

Add to the ambiance with spotlights and Smart Security Lights.

Nocturnal Series Cameras

A robust, vandal-resistant line of rugged outdoor cameras.

PTZ Cameras

Don't miss a thing with these cameras that can Pan, Tilt and Zoom.

Fusion Collection

Comprehensive, adaptable surveillance solutions for homeowners and businesses. Pair with wired and Smart Home Wi-Fi Cameras, Video Doorbells, and Floodlight Cameras as required.

Elite Series

Compatible with Bullet and Turret cameras, these recorders support 4K resolution, Color Night Vision, and motion detection.

Monitor and protect your property like never before. Lorex offers a wide range of security cameras with various features that are made to enhance your business' security. IR and Color Night vision allow for around-the-clock coverage of your property. Weatherproof cameras allow you to install your cameras in any outdoor environment, regardless of the weather. 4K Resolution, and 2-Way Talk with Listen-in Audio make sure you will see and hear everything that happens on your property. Smart Deterrence Lighting helps illuminate the area and deter unwanted visitors. Choose a Lorex camera with the best features that fit your needs.

4K

4K Ultra HD Resolution

Capture 4K video, which is especially important for security camera footage.

Real-Time 4K (30fps) Recording

Record 4K resolution video at a real-time 30 FPS, featuring exceptionally smooth on-screen movement.

Motorized Varifocal

Varifocal cameras are extremely versatile and able to zoom in and out using their 4x optical zoom lenses.

Smart Motion Detection

Limit motion detection notifications with Smart Motion Detection.

ePoE Technology (Enhanced Power Over Internet)

Enhanced PoE (ePoE) technology allows you to connect cameras up to 600m (2000 ft) away.

Color Night Vision (CNV)

Revolutionary Color Night Vision, produces the most vivid and longest range full-color nighttime video yet.

Listen-In Audio

Listen-in audio allows you to hear everything happening in your security footage.

IP67 Weatherproof Rating

Providing year-round protection from the elements, like rain and snow.

4x Optical Zoom

4x optical zoom helps you capture even the smallest of details without compromising the quality of your video.

4K+

Ultra HD 12MP Resolution

The ultra high-definition 12MP sensor, produces 50% more pixels than 4K (8MP).

Smart Deterrence

Featuring a warning light that can be scheduled or programmed, and a remote-activated siren.

Smart Security Lighting

The customizable smart LED light band comes with 16.7 million color options to choose from.

Two-Way Audio

Easily communicate through the camera's built-in microphone and speaker using the Lorex App.

2K

2K HD Resolution

A 4MP image sensor provides 2x the resolution as 1080p. This creates exceptionally sharp and detailed video.

Compatible with Bullet and Turret cameras, these recorders support 4K resolution, Color Night Vision, and motion detection.

Real-time 30FPS streaming rate

View live footage in up to 30fps and digitally zoom in on distant objects for better clarity

Expandable HDD - up to 32TB

Limit motion detection notifications with Smart Motion Detection Plus. This feature offers the option of either Face Detection or Person and Vehicle Detection.

Be in the know with Lorex Pro

Use the Lorex Pro app to keep tabs on activities around your property. Know when someone enters the building, when a vehicle shows up in the camera's field of view, watch out for animals on your property, and never miss a package delivery.

LOREX PRO Works with the Lorex Pro App. The ultimate app for seamless control of your professional-grade security systems.

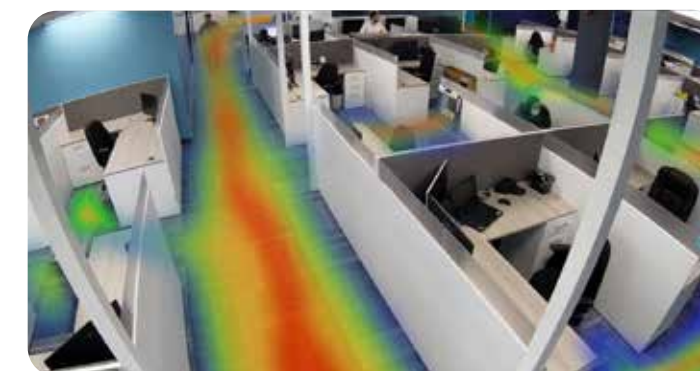

Customize Solutions

To customize a bundle configuration, please use the Lorex For Business Portal. Alternatively, for expert advice, you can contact your Account Manager.

People Counting

Advanced people counting analytics provides valuable information about the number of people inside your premises at any point in time.

Heat Mapping

Heat Maps illustrate customer movement to better understand where the heaviest and lightest traffic areas are.

Cameras featuring long range Color Night Vision, Infrared Night Vision, and a heavy duty exterior which delivers durability.

Up to 30 frames per second

Don't miss a moment with our Real-Time 4K Nocturnal Security Cameras. With 30 frames recorded within each second, the on-screen movement will look like you are witnessing events in real life.

Color Night Vision

These cameras feature our revolutionary Color Night Vision technology, which will produce full-color video with the help of external lighting around the camera.

Be in the know with Lorex Pro

Use the Lorex Pro app to keep tabs on activities around your property. Know when someone enters the building, when a vehicle shows up in the camera's field of view, watch out for animals on your property, and never miss a package delivery.

IP Products

IP Products

PTZ (Pan-Tilt-Zoom) cameras make it easier to monitor large areas thanks to rapid panning and tilt motion, a 360° rotation, and optical zoom.

Pan Tilt Zoom

PTZ is an acronym for pan, tilt, and zoom. This means that a PTZ security camera has the ability to move its lens in virtually any direction, as well as being able to zoom in on objects in the distance.

Optical Zoom

The camera's 4x optical zoom and 16x digital zoom will help you capture even the smallest of details. The 4x optical zoom will not compromise the quality of your video either, allowing you to set the camera closer to the action.

IP67 Weatherproof Rated

Pro-Grade heavy-duty aluminum housings protect against weather and vandalism, extending the life-cycle of your camera so you can count on years of uninterrupted service

Always Know What's Happening

Keep an eye on trespassers and vehicles with advance AI features like Auto Tracking. Use it to cover a large area and to automatically detect, follow, and record moving objects, such as a person or vehicle. Expand your security coverage with fully automated PTZ tours. You can also create a simple "pattern" movement that will automatically cycle the camera's viewpoint between two presets.

Comprehensive, adaptable surveillance solutions for homeowners and businesses. Pair with wired and Smart Home Wi-Fi Cameras, Video Doorbells, and Floodlight Cameras as required.

Fusion Technology

Combine Wired and Wi-Fi Cameras on the same system. Lorex's award winning Fusion Collection is a set of Recorders and wireless devices united by our Lorex App.

Smart Motion Detection

Limit motion detection notifications with Smart Motion Detection. This feature offers the option of either Face Detection or Person and Vehicle Detection.

See it all on the Lorex App

Using Lorex Home, you can quickly and easily view your security system remotely from your smartphone or tablet and control smart deterrence features.

LOREX

Works with the Lorex App. See what your cameras are seeing, review past events, stay in-the-know of activity - wherever life takes you.

Get the most out of Fusion by connecting both Wired and Wi-Fi cameras, video doorbells, floodlights, and accessories to your system.

All-In-One Security

Connect all of your devices to one recorder with secure local storage for enhanced privacy and protection.

24/7 Recording

Continuous recording directly to your recorder's hard drive with upgradeable storage and no monthly fees.

Remote App Access

Access all of your Lorex devices from one app, allowing for easy control and monitoring of your property.

Sensor Kit

Pair a sensor kit to extend your security and receive alerts when motion is detected or a door or window is opened.

Full property coverage, conveniently

Combining wired and wireless devices means you can secure and monitor everything from all angles.

Capture everything with continuous recording

24/7 continuous recording from your cameras directly to your recorder's hard drive.

View your cameras anywhere, anytime

Easily access all of your cameras from one place using the Lorex app.

Expanded monitoring, simply and flexibly

Receive instant door and window alerts or motion alerts with Lorex Sensors, and automatically activate your cameras to record.

Create a tailored home security system using both wired and Wi-Fi cameras with this 4K Fusion Digital Video Recorder (DVR).

Fusion Technology

Combine Wired and Wi-Fi Cameras on the same system. Lorex's award winning Fusion Collection is a set of Recorders and wireless devices united by our Lorex App.

Smart Motion Detection

Limit motion detection notifications with Smart Motion Detection. This feature offers the option of either Face Detection or Person and Vehicle Detection.

See it all on the Lorex App

Using Lorex Home, you can quickly and easily view your security system remotely from your smartphone or tablet and control smart deterrence features.

Paired with professional 4K resolution and Color Night Vision, these cameras deliver stunning clarity.

Analogue Security

Experience the 4K difference

Thanks to the powerful 8MP image sensor, you'll experience the difference that 4K resolution makes when it comes to your security.

See in color, through the night

Featuring our revolutionary Color Night Vision (CNV) technology, producing full-color video with the help of external lighting around the camera.

Weatherproof Cameras

Mother Nature is no match for this security camera. Rated IP67, it can endure anything from torrential downpours to freezing snowstorms.

Analogue Security

Scan the QR code to visit the product page for additional features and expanded specs.

These bullet and PTZ cameras let you see more with superior clarity and detail, Color Night Vision, IR Night vision, and a wide field of view.

4K Resolution

See more and know more, with impressive video quality. Capture critical evidence in superior detail, should an incident occur on your business premises.

Active deterrence siren

Featuring a remote-triggered siren that is designed to stop trespassers right in their tracks. When motion is detected, within the sensor range, the system sends an alert to your smartphone, allowing you to remotely access the camera and set off a loud intruder alert to deter crime.

Warning Lights

Featuring a bright LED warning light that can be triggered when motion is detected, which also has a strobe light setting.

Power Adapters

SKU	ACCPWR12V1	ACCPWR12V2AH4B	AP24V500B
	12V Regulated DC Security Power Adapter 1A	4-in-1 Security Camera Power Adapter 12V 2A	Doorbell Power Adapter
Power Technology	Wall Outlet	Wall Outlet	Wall Outlet
Output Voltage	12V	12V	24Vdc±5%
Output Current	1A	2A	1.0A maximum
Removable Power Plug	No, Default North America (Type A)	No, Default North America (Type A)	Yes (North America and UK included)
Output Connector Type	DC Coaxial Connector	DC Coaxial Connector	Eyelet Connector RV1-3.2
Color	Black	Black	Black
No. of Cable Clips	Nil	Nil	12
Compatibility	All Lorex wired security cameras with power consumption rating < 1A	All Lorex wired security cameras with total current consumption of connected cameras < 2A	B241AJD, B451AJD, B463AJ, LNWD81, B862AJ

Memory Cards

SKU	ACCSD64G2W-F	ACCSD256G2W-F
	64GB Surveillance-grade microSD card	256GB microSD Card (Surveillance Grade)
Storage Capacity	64GB	256GB
Form Factor	microSDXC	microSDXC
Speed Class	UHS Speed Class 1 (U1) / Video Speed Class 10	UHS Speed Class 1 (U1) / Video Speed Class 10
Endurance	Up to 32 terabytes written	Up to 128 terabytes written
Sequential Read Performance	Up to 100 MB/s	Up to 100 MB/s
Sequential Write Performance	Up to 20 MB/s	Up to 20 MB/s
Operating Temperature	-25°C to 85°C	-25°C to 85°C
Compatibility	B241AJD, B451AJD, B463AJ, V261LCD, W452ASD, W281AA, W282CAD, W482CAD, W881AAD, W261AQC-E, W462AQC-E, W261ASC-E, W461AS, F461AQD, L871T8, ACH20-1B, ACH20-TPC-M20	

Scan the QR code to visit the product page for additional features and expanded specs.

Wi-Fi Chimeboxes

SKU	ACCHM2-B
	Lorex Wi-Fi Chimebox
Power	Outlet
Communication	2.4GHz Wi-Fi
Replacement Power Plug	Yes (US, UK, AU, EU - Type C)
Built-in Speaker	Yes
No. of Chime Sounds	13
No. of Volume Level	4 (incl. mute)
Certification	FCC, CE, UKCA, RCM
Compatibility	LNWDB1, B241AJD, B451AJD, B463AJD, B862AJ, B861AJ

Scan the QR code to visit the product page for additional features and expanded specs.

Solar Panels

SKU	ACSOL3-E
	Solar Panel for Battery-Operated Cameras & Doorbells
Power Technology	Solar
Power	3.2W
Voltage	6V
Current	530mA
Ingress Protection Rating	IP65
Cable Length	4 meters
Dahua USB Head Compatibility	Yes (via adapter)
Raysharp USB Head Compatibility	Yes
Color	White
Operating Temperature	-30°C to 70°C
Device Compatibility	U471AA, Series of U855AA, U424AA, U222AA, F462AQ,

Scan the QR code to visit the product page for additional features and expanded specs.

Battery Packs

SKU	ACBATTR3A	ACBATTR3 (EOL)
	Accessory Power Pack Plus for Lorex Wire-Free Cameras (3-Cell)	Accessory Power Pack Plus for Lorex Wire-Free Cameras (3-Cell)
Technology	3-Cell Lithium-ion	3-Cell Lithium-ion
Battery Capacity	8,700mAh	8,700mAh
Estimated Usage Per Charge	~6 months	~6 months
Removable Cover	Matte Black, Matte White	Matte Black, Glossy White
Charging LED	Yes (Red or Green when fully charged)	Yes (Red or Green when fully charged)
Charging Port	Micro USB	Micro USB
Compatibility	Series of U855AA, U424AA, U222AA, LWB6850, LWB6800, LWB5800, LWB4900, LWB4850, LWB4800	Series of U424AA, U222AA, LWB6850, LWB6800, LWB5800, LWB4900, LWB4850, LWB4800

Scan the QR code to visit the product page for additional features and expanded specs.

Sensors

SKU	AM41TK / AM41TKG	AK41TK / AK41TKG
	Add-on Motion Sensor	Add-on Window / Door Sensor
Technology	BLE5.0	BLE5.0
Power	CR2450	CR1632
Max. of Sensors Connected	N/A	N/A
Armed/Disarmed Capability	Yes	Yes
Lorex Home Mobile App	Yes	Yes
Compatibility	Lorex Sensor Hub (AY41TR), Lorex Smart Home Security Center (L871T8E-E)	

Scan the QR code to visit the product page for additional features and expanded specs.

SKU	Lorex Sensor Hub	Smart Sensor Kit with 2 Window/Door Sensors and 1 Motion Sensor
Technology	Wi-Fi, BLE5.0	Wi-Fi, BLE5.0
Power	AC Power Adapter	AC Power Adapter (AY41TR), CR1632 (AM41TK), CR2450 (AM41TK)
Max. of Sensors Connected	10	10
Armed/Disarmed Capability	-	Yes
Lorex Home Mobile App	Yes	Yes
Compatibility	D861, D862, D863, D871B, D881, N842, N843, N844, N845, N846, N862, N863, N864

PoE Switches

SKU	AEX8	AEX8-2	ACCLPS263B
	8-Port ePoE Switch	8-Port ePoE Switch	16-Channel PoE+ Switch
Switch Type	Unmanaged	Unmanaged	Unmanaged
No. of Ports (10/100Base-TX)	8	8	16
No. of Ports (10/100/1000-T)	1	1	1
No. of Ports (1000Base-X SFP)	1	1	1
IEEE 802.3 Ethernet	Yes	Yes	Yes
IEEE 802.3u Fast Ethernet	Yes	Yes	Yes
IEEE 802.3ab Gigabit Ethernet	Yes	Yes	Yes
IEEE 802.3x Full-duplex flow control	Yes	Yes	Yes
IEEE 802.3af PoE	Yes	Yes	Yes
IEEE 802.3at PoE+	Yes	Yes	Yes
IEEE 802.3z	Yes	Yes	-
Hi-PoE	Yes	Yes	-
ePoE	Yes	Yes	-
IEEE 802.3bt PoE++	Yes	Yes	-
LED indicators	Yes	Yes	Yes
PoE Power Consumption	60W (Port 1, 5), 30W (Port 2, 3, 4, 6, 7, 8)	90W (Port 1, 5), 30W (Port 2, 3, 4, 6, 7, 8)	30.8W
Total PoE Power Consumption	120W	120W	220W
Compatibility Cameras	All PoE IP Cameras, ePoE IP Camera	All PoE IP Cameras, ePoE IP Camera	All PoE IP Cameras

Scan the QR code to visit the product page for additional features and expanded specs.

PoE Converters

SKU	ACVTR	ACVRC
	Coaxial to Ethernet Converter for PoE Cameras (Transmitter)	Coaxial to Ethernet Converter for PoE Cameras (Receiver)
Function Port	1*10/100 Mbps Base-TX, 1*BNC	1*10/100 Mbps Base-TX, 1*BNC
Power Consumption	<2W	<2W
Transmission Bandwidth	RG59 coaxial cable: 400m/100Mbps, 1000m/10Mbps	RG59 coaxial cable: 400m/100Mbps, 1000m/10Mbps
PoE Protocol	48V Passive PoE (Pairs 1, 2+; 3, 6 Return)	48V Passive PoE (Pairs 1, 2+; 3, 6 Return)
Network Standard	IEEE802.3, IEEE802.3u, IEEE802.3x	IEEE802.3, IEEE802.3u, IEEE802.3x
Lightning Protection	Common Mode 4KV	Common Mode 4KV
Operating Temperature	Differential Mode 2KV -30°C to 65°C (-22°F to 149 °F)	Differential Mode 2KV -30°C to 65°C (-22°F to 149 °F)
Operating Humidity	5%-95%	5%-95%
Weight	61 g (0.13 lb)	61 g (0.13 lb)
Dimension (W×D×H)	79 × 52 × 23 mm	79 × 52 × 23 mm
Compatibility Cameras	Supports PoE Cameras, ePoE Cameras	Supports PoE Cameras, ePoE Cameras

Ethernet over Cable & PoE Solutions

Name		2 Port PoE+ Splitter 25W (300ft) Daisy Chain Compatible	
SKU		ALP-HPS-01	
Interface	EoDownlink	2 x RJ-45	
	Uplink	1 x RJ-45 - 10/100 Base-T with Auto-detect MDIX	
Transmission Rate	Internet /PoE	Up to 100m - 1000 Base-T	
Transmission distance		Up to 200m between devices - 10/100 Base-T	
LED Indication	Data	3 x Data Link (Green)	
	PoE	3 x PoE Link (Amber)	
	Power	1 x Input Power Quality. (Green: Normal/48VDC and more, Green+Red: Caution, Red : Power Shortage/38VDC and below)	
Power Input	PoE	IEEE802.3af, IEEE802.3at	
	DC	DC48V - 57V	
Power Output	PoE	IEEE802.3af, IEEE802.3at	
Compliance	Certification	FCC, CE, KC, RoHS	
Surge Protection		IEC 61000-4-5 4kV(1.2 / 50us), 2kV(8 / 20us)	

Name		Single Port Mid Range Ethernet over UTP Converter with POE Extender Capability (1300ft)	
SKU		ALP-EUP-01T	ALP-EUP-01R
Interface	EoC Signal	1 x RJ45 - Ethernet over UTP (T-LinX)	
	Ethernet	1 x RJ45 - 10/100 Base-T with manual	
Transmission Rate	Internet /PoE	10/100Mbps Full Duplex	
Transmission distance	Ethernet	up to 400 m (Cat5e UTP Cable)	
LED Inditcation	Ethernet	1 x Link (Yellow) / 1 x ACT (Green)	
Power	Input	B-Link or DC48V-57V	PoE Switch or DC48V-57V
	PoE Output	IEEE802.3af (PoE), IEEE802.3at (PoE+), Extra PoE up to 60W with 57V Power Adaptor	PoE Not Supported, PoC Only
	PoE Input	Up to 25.5W (PD)	Up to 25.5W (PD)
Compliance	Certification	FCC, CE, KC, RoHS	
	Surge Protection	IEC 61000-4-5 4kV(1.2 / 50us), 2kA(8 / 20us)	

Name		Single Port Mid Range Ethernet over 2 wire Converter with POE Extender Capability (1000ft end-to-end)	
SKU		ALP-ETP-01T	ALP-ETP-01R
Interface	2-Wire	1 x 2-Pin Terminal Block-Ethernet over 2-Wire cable	
	Ethernet	1 x RJ45 - 100 Base-T	
Transmission Rate		100Mbps Full Duplex, (100Mbps between Intercoax devices)	
Transmission distance	Ethernet	Up to 300m (1 Pair of Cat.5e)	
	PoE (PoC)	Up to 300m (1 Pair of Cat.5e / 7W Camera)	
LED Inditcation	Ethernet	1 x Link (Yellow) / 1 x ACT (Green)	
	Power	Input	T-Linx or DC48V-57V PoE Switch or DC48V-57V
	PoE Output	IEEE802.3af (PoE),IEEE802.3at (PoE+), Extra PoE up to 60W with 57V Power Adaptor	PoE Not Supported, PoC Only
Compliance	Certification	FCC, CE, KC, RoHS	
	Surge Protection	IEC 61000-4-5 4kV(1.2 / 50us), 2kA(8 / 20us)	

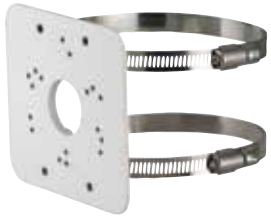

Ethernet over Cable & PoE Solutions

Name		Single Port POE Repeater 25W (300ft end-to-end)	
SKU		ALP-EPR-III	
Interface	LAN / PoE In	1 x RJ45 - 10/100 Base-T with Auto-detect MDIX	
	LAN / PoE Out	1 x RJ45 - 10/100 Base-T with Auto-detect MDIX	
Transmission Rate		100Mbps Full Duplex	
Transmission Distance		100m **(200m)	
LED Indication	Ethernet	1 x Data(Green)	
	Power	1 x PoE(Yellow)	
PoE	Standards	IEEE802.3af/at(PoE)	
	Max. Power	Max. 25W	

Name		Long Range Ethernet over Coaxial Converter with POE Extender Capability (4000ft)	
SKU		ALP-ECP-260IT	ALP-ECP-260IR
Interface	Coax	1 x 75Ω BNC (Female) - Ethernet over Coax (B-LinX)	
	Ethernet	1 x RJ45 - 10/100 Base-T with Auto-detect MDIX	
Transmission Rate		95Mbps Full Duplex (270Mbps between Intercoax devices)	
Transmission distance	Ethernet	up to 2.4Km(RG-6)	
	PoE (PoC)	up to 1.2Km (RG-6 / 7W camera)	
LED Inditcation	Ethernet	1 x Data-Link (Yellow)	
	EoC	1 x Join-Link (Green)	
	Power	1 x Power On(Amber)	
	PoE	1 x PoE Out (Red)	
	Encryption	-	128-bit AES
Power	Input	B-Linx or DC12V-57V	PoE Switch or DC12V-57V
	PoE Outputs	IEEE802.3af(PoE), IEEE802.3at (PoE+),Extra PoE up to 60W	PoE Not Supported, PoC Only
Compliance	Certification	FCC, CE, KC, RoHS	
	Surge Protection	IEC 61000-4-5 4kV(1.2 / 50us), 2kA(8 / 20us)	

Name		Single Port Mid Range Ethernet over Coaxial Converter (1300ft end-to-end)	
SKU		ALP-ECP-01T	ALP-ECP-01R
Interface	Coax	1 x 75Ω BNC (Female) - Ethernet over Coax (B-LinX)	
	Ethernet	1 x RJ45 - 100 Base-T	
Transmission Rate		100Mbps Full Duplex, (100Mbps between Intercoax devices)	
Transmission Distance	Ethernet	up to 1000 m when 10Mbps is used (5C-HFBT, RG-59 or better)	
	PoE (PoC)	Up to 400meter (RG-59, RG-6)	
LED Indication	Ethernet	1 x Link (Yellow) / 1 x ACT (Green)	
Power	Input	B-Linx or DC48V-57V	PoE Switch or DC48V-57V
	PoE Output	IEEE802.3af (PoE),IEEE802.3at (PoE+), Extra PoE up to 60W with 57V Power Adaptor	PoE Not Supported, PoC Only
Compliance	Certification	FCC, CE, KC, RoHS	
	Surge Protection	IEC 61000-4-5 4kV(1.2 / 50us), 2kA(8 / 20us)	
Power	Input	B-Linx or DC12V-57V	PoE Switch or DC12V-57V
	PoE Outputs	IEEE802.3af(PoE), IEEE802.3at (PoE+),Extra PoE up to 60W	PoE Not Supported, PoC Only
Compliance	Certification	FCC, CE, KC, RoHS	
	Surge Protection	IEC 61000-4-5 4kV(1.2 / 50us), 2kA(8 / 20us)
