# LOREX®

4K Smart Security Lighting IP Wired White Bullet Camera

16.7 Million Colors

Powerful 4K Security, Enhanced Home Monitoring

Get the best view of your property, day and night, with the 4K Smart Deterrence IP Wired Bullet Camera. Always know what's happening around your property with Person, Package, Animal and Vehicle Detection. Get detailed smartphone notifications when someone arrives at your door, when a package is delivered, a pet has wandered outside, or when a car pulls into the driveway. Be proactive with your security— deter unwelcome visitors with the motion-activated LED lights and remote-triggered siren. Speak to your guests with 2-Way Talk, using the built-in microphone and speaker. If you're busy, answer instantly with the pre-set Quick Responses. Customize your security with Smart Security Lighting. You can assign various colors to different motion events and camera modes— choose from 16.7 Million colors. See full-color video, even at night with Color Night Vision Booster. Pair the security camera with a compatible Lorex 4K Fusion NVR to enhance your home monitoring.

Impressive Clarity and Wider Coverage

- See the finest detail with 4K resolution.
- Monitor larger areas of your premise with a wide-angle 127° field of view.
- See details in full-color and contrast with Color Night Vision Booster.

Always Know What's Happening

- Get timely smartphone notifications with Animal, Person, Vehicle, and Package Detection.
- Watch over your pets, know when someone gets home, a vehicle pulls into the driveway, and never miss a package delivery.

Shed light on your property

- Customize your camera's LED light to the color of your choice – Choose from 16.7 Million colors.
- Assign colors for motion events and pre-set camera modes like Welcome mode and Panic mode.

Proactive Security

- Get an added layer of security with the motion-activated LED lights and a remote-triggered siren to deter unwelcome visitors.
- Listen and speak to visitors, from anywhere, with 2-Way Talk.
- If you're busy, answer instantly with the pre-set Quick Responses.

Face Detection	Yes [4]
Mask Detection	Yes [8]
Package Detection	Yes - package missing or package left behind [1]
Supports in App Quick Messaging	Yes
Active Deterrence	Yes - Warning Light + Siren + Pre Recorded Message + Smart Security Lighting [1]

Additional Specifications

|	
Camera Housing Material	Aluminum Alloy
SD Card Slot	Yes*
Power Requirements	PoE (Power over Ethernet Class -802.3af)/12V DC
Power Consumption (max)	660mA / 9.5W
Camera Dimensions (W x D x H)	2.9" x 6.9" x 2.9" (73mm x 175mm x70mm)
Camera Weight	1.15lbs / 0.52kg
Operating Temperature	-22°F ~ 140°F /-30°C ~ 60°C
Humidity	< 95% RH
Environmental Rating	IP67 (Indoor/Outdoor)

Model Information

E894AB	Brown Box	6-95529-04522-1
E894AB-E	Retail Sleeve Box	6-95529-05140-6
Configuration	4K Smart Security Lighting IP Wired Bullet White Camera	
Package Dimensions (W × D × H)	15 × 5.3 × 4.9" / 381 × 134 × 124mm	
Package Weight	3.15lb / 1.4kg	
Package Cube	0.018 cbf / 0.0005 cbm	
Junction Box	Compatible with: ACJNCD3B (not included)	

What's Included

4K Security Camera	CAT5e Ethernet Cable	Mounting Kit	Quick Start Guides

Disclaimers:
1. Compatible with select Lorex Network Video Recorders HD recorders. For a full list of compatible recorders visit: www.lorex.com/compatibility
2. Color nighttime video typically switches to black & white IR night vision when there is not sufficient ambient light to ensure optimal low-light image quality.
3. Stated IR illumination range is based on ideal conditions in typical outdoor nighttime ambient lighting (up to 98ft/30m in total darkness). Actual range and image clarity depends on installation location, viewing area and light reflection/absorption.
4. For Face Detection to operate, this camera requires a connection to a compatible Lorex Network Video Recorder with smart face detection technology. For a list of compatible recorders please visit: www.lorex.com/compatibility
5. Audio recording is disabled by default. Audio recording without consent is illegal in certain jurisdictions. Lorex Technology does not assume liability for any use of its product that fails to conform with local laws
6. Not intended for submersion in water. Installation in a sheltered location recommended.
7. Cable length is dependent on product configuration. See product packaging for details.
8. Mask Detection is compatible with select Lorex Network Video Recorders. For a full list of compatible recorders visit: www.lorex.com/compatibility
*A microSD card can be inserted for independent recording. Data can be accessed through the camera using a web browser but will not upload to the NVR or to the cloud for mobile app viewing.
